**The John Estrella Foundation for  
Cancer Research is a  
501c3 Non-profit organization.**

Happy Birthday America & happy 23 years of fundraising to help treat and cure kidney cancer with the John Estrella Foundation for Cancer Research.

With the proceeds from this event, we remain committed to funding local cutting-edge research, supporting patients, and raising awareness.

We keep your donations here to help you, your family, and your community.

Because every breakthrough has the power to change a life and add more birthdays!
